

Let Us Hear from You!

Customer Service Fairs

It is the goal of the City of Cleveland to provide first class customer service. To achieve this goal, the Department of Public Utilities is partnering with representatives from other city departments and other utilities to host Customer Service Fairs throughout the City of Cleveland. Customer Service Representatives from these organizations will be available to listen to your concerns, answer your questions and take your recommendations for better service.

Participants:

- Cleveland Division of Water
- Cleveland Public Power
- Water Pollution Control
- Division of Waste
- Northeast Ohio Regional Sewer District
