

**City of Cleveland
Division of Water
2014 Permits and Sales - Fees and Charges**

Effective 1/1/14 - 12/31/14

Fees for Installing New Meters*

Fee includes meter and labor to install meter. All meters 3" and larger shall be required to be installed in a meter vault unless otherwise approved by Engineering.

Meter Size/Type/Location	Price
1" meter in a vault	\$ 296.00
1" meter inside structure with remote reading device	\$ 344.00
1 -1/2" meter in a vault	\$ 333.00
1 -1/2" meter inside structure with remote reading device	\$ 390.00
2" meter	\$ 417.00
2" compound meter	\$ 2,141.00
3" meter	\$ 972.00
3" compound meter	\$ 2,599.00
4" meter	\$ 1,645.00
4" compound meter	\$ 3,033.00
6" meter	\$ 3,416.00
6" compound meter	\$ 5,087.00
8" meter	\$ 5,659.00
8" compound meter	\$ 7,976.00
10" meter	\$ 6,718.00
10" compound meter	\$ 9,460.00
12" meter	\$ 9,362.00
12" compound meter	\$ 13,167.00

Fees for Building New Meter Bypass Assembly

Fee includes labor to build bypass assemblies. Meters larger than 1" (with the exception of 1 1/2" and 2" meters that are designated to go inside a home or building) will require a meter bypass assembly. In such cases the Division of Water's meter shop will receive all the materials, build and test the assemblies prior to installation.

Size of Meter Bypass Assembly (AKA "Meter Setting")	Price
1-1/2"	\$ 522.00
2"	\$ 522.00
3"	\$ 522.00
4"	\$ 686.00
6"	\$ 902.00
8"	\$ 1,140.00
10"	\$ 1,435.00
12"	\$ 1,755.00

Fees for Taps for Domestic and Fire Service Connections

Cost for labor to perform tap at the water main only. All other labor such as excavation, sheeting, mounting, testing of tap sleeve or saddle, and restoration shall be at the customer's expense. All materials to be provided by customer. All water connections larger than 1" require a valve box on the tap valve. The property owner is required to contact the Permits and Sales office at 216-664-3130, prompt #7, for an inspection of subsequent private side connection work.

Size of Tap/Connection	Price
1"	\$ 332.00
1 1/2"	\$ 1,587.00
2"	\$ 1,721.00
3"	\$ 1,732.00
4"	\$ 2,209.00
6"	\$ 2,323.00
8"	\$ 2,613.00
10"	\$ 3,111.00
12"	\$ 4,355.00

* Tap prices assume tap is on a ductile iron pipe. When water main being tapped is concrete, a 55% surcharge will be included

Fees for Curb Valves (Flat Rate Labor only)	
	Price
1 1/2"	\$ 159.00
2"	\$ 159.00
3"	\$ 319.00
4"	\$ 319.00
6"	\$ 319.00
8"	\$ 319.00
10"	\$ 478.00
12"	\$ 478.00
Fees for Tapping Sleeve and Valve	
<i>Cost for labor to perform tap. All other labor such as excavation, sheeting, mounting, testing of tap sleeve, and restoration shall be at the customer's expense. All materials to be provided by customer.</i>	
Size of Tap/Main	Price
8" OR LESS	\$ 2,613.00
10"	\$ 3,111.00
12"	\$ 4,355.00
16" or larger	\$ 5,745.00
* Tap prices assume tap is on a ductile iron pipe. When water main being tapped is concrete, a 55% surcharge will be included	
Fees for Installing Regulators on Public Water Mains	
<i>Cost for labor to perform installation only. All other labor such as excavation, sheeting, testing, and restoration shall be at customer's expense. All materials to be provided by customer.</i>	
Size of Regulator	Price
8"	\$ 2,748.00
12"	\$ 4,580.00
Fees For Temporary Water Service (off Fire Hydrants or other unmetered sources)	
<i>The Division of Water will determine if a temporary service shall be metered or estimated. An approval letter from the Fire Chief of the municipality where the service is located shall be required except within the City of Cleveland. In all cases, charges will include the cost of the Permit, the Cost of Water Consumption, and if applicable, a meter rental fee. If CWD determines that a meter will be needed, additional costs will include the weekly meter fee and a deposit for the meter which is refundable upon return of the meter in operable condition. The permit holder shall be responsible for furnishing and installing an independent gate valve and a check valve as well as obtaining all hoses or piping necessary to meet their needs.</i>	
Estimated Temporary Water Permits	Price
Cost of Permit processing fee	\$ 46.00
Water Volume Consumption Charge (Cost at additional MCF rate in Service level per billing zone)	\$ -
Cleveland - Service Level - Cost Per MCF	\$ 31.22
Low Service/First High - Service Level - Cost Per MCF	\$ 42.53
Second High - Service Level - Cost Per MCF	\$ 51.51
Third High - Service Level - Cost Per MCF	\$ 59.39
Metered Temporary Water Permits	
Cost of Permit processing fee	\$ 46.00
Deposit (Deposit will be returned in full if the hydrant is returned in operable condition)	\$ 1,200.00
Meter Rental Fee for first week	\$ 35.00
Meter Rental Fee for 2nd week and thereafter	\$ 25.00
Water Volume Consumption Charge (Cost at additional MCF rate in Service level per billing zone)	
Cleveland - Service Level - Cost Per MCF	\$ 31.22
Low Service/First High - Service Level - Cost Per MCF	\$ 42.53
Second High - Service Level - Cost Per MCF	\$ 51.51
Third High - Service Level - Cost Per MCF	\$ 59.39
1 MCF = 1000 Cubic Feet = 7,480 Gallons

Fees for Disinfection of Water Mains		
<i>Cost for labor only. Contractor to provide tap(s) into water main and sheeted access excavations.</i>		
Pipe diameter/size	Price per foot of main	Minimum fee
4"	\$ 0.63	\$ 756.00
6"	\$ 0.63	\$ 756.00
8"	\$ 0.81	\$ 972.00
10"	\$ 0.81	\$ 972.00
12"	\$ 1.00	\$ 1,200.00
16"	\$ 1.09	\$ 1,308.00
20" and larger (deposit)*		\$ 3,500.00
Rescheduling fee**		\$ 380.00
* \$3,400 will be collected as a deposit. If actual cost is greater or less than the deposit then the difference will be billed or refunded, respectively.		
** Reschedule fee is charged when the disinfection crews arrive on site as scheduled and contractor is not prepared.		
Fees for Plugging Water Service Connections		
<i>Fee includes excavation, plugging of connections and restoration.</i>		
Size of connections to be plugged	Price	
less than 2"	\$ 1,837.00	
2" through 12"	\$ 2,449.00	
Larger than 12"	\$ 3,061.00	
Fees for Miscellaneous Engineering Services		
Copy fee for roll maps & engineering drawings - per sq. ft.	\$ 0.36	
Plan review fee - per plan & profile drawing containing water work	\$ 530.00	
As-Builts		
Refundable deposit per plan & profile drawing containing water work	\$ 500.00	
As-Built processing fee per plan profile drawing containing water work (fee depends on format of as-builts)		
Hard copy submittal	\$ 250.00	
Submittal in CWD Standard AutoCad format	\$ 100.00	
Submittal in CWD Standard GIS format	\$ 25.00	
* As-Built costs based on D sized drawing. Deposits will be collected on all projects containing water work. If no as-builts are submitted, the Division of Water will keep the deposit and use it hire a firm to create as-builts. If as-builts are submitted, the deposit will be returned less the cost of the as-built processing fee. The processing fee is based on the format in which the as-builts are created and the effort required to draft the as-builts into our permanent records/GIS.		
Backflow Fees		
Backflow on-line processing fee	\$ 17.95	
Plumber Certification Test	\$ 49.00
