LEAD AND COPPER COMPLIANCE MONITORING – 2021

Name:

Phone:

Address:

Email:

Do you own or rent? If rent, please list the name and contact information for your landlord.

Own

Rent

When was the water last used before sampling?

Date:

Time:

AM / PM
(circle)

When was the sample taken?

Date:

Time:

AM / PM
(circle)

Initial to verify the sample was taken from the kitchen sink:

Do you have any treatment devices that could not be turned off at the kitchen cold water line?

Yes

No

If "Yes," please provide information about the device (softener, carbon filter, under-counter reverse osmosis unit, what the device is certified to remove, etc.)

I verify that I have taken the compliance monitoring water sample(s) according to the instructions to the best of my knowledge.

Date:

Cleveland Water will keep all the information on this sheet confidential with the exception of what needs to be submitted to Ohio EPA. Please remember to complete the above form, including the signature, and return it with your bottle(s) in the original kit. We will provide you with the results within 2 business days of analysis. If your results are above the federal action levels of 15 parts per billion for lead or 1.3 parts per million for copper, additional information will be provided.

PLEASE CALL THE CLEVELAND WATER LABORATORY AT 216.664.3171 WHEN YOUR SAMPLE IS READY FOR PICKUP. If you reach the voicemail, please leave your name, phone number, address and state that your compliance samples are ready for collection.

Sample Number: _____

(To be filled in by Cleveland Water)

Ensure the high quality water delivered
to your home comes out of your tap.
